PROGRAM DESCRIPTION

The Fischhoff National Chamber Music Association is committed to inspiring the next generation of chamber musicians. Established in 1999, this mentoring project has grown into the Fischhoff Chamber Music Academy, serving area junior high and high school musicians dedicated to digging deeper into the challenging repertoire of chamber music.

Each year, string, piano, woodwind, brass, and mixed ensembles of three to six musicians in Northern Indiana and Southwestern Michigan are selected to participate. This program provides merit-based scholarships covering 100% of the tuition costs thanks to the generous support of community organizations and donors.

Since 1999
