Fischoff Chamber Music Academy

2025-2026

PROGRAM DESCRIPTION

The Fischhoff National Chamber Music Association is **committed to inspiring the next generation of chamber musicians**. Established in 1999, this mentoring project has grown into the Fischhoff Chamber Music Academy, serving area junior high and high school musicians dedicated to **digging deeper into the challenging repertoire of chamber music**.

Each year, string, piano, woodwind, brass, and mixed ensembles of three to six musicians in Northern Indiana and Southwestern Michigan are selected to participate. **Fischhoff invests \$900 per student each year**, and thanks to generous community support, the participation cost is heavily subsidized.

Every student accepted into the Academy will **automatically receive a generous 75% scholarship** (\$675 value) toward their tuition. Tuition for the 25-26 Academy year will be **\$250 for the entire year, with payment installment options available**.

Need-based aid may reduce yearly tuition to as low as \$40.
